

## Software upgrade form MiniMed® 780G insulin pump

Once completed, please send this form via email to: [australia.diabetes@medtronic.com](mailto:australia.diabetes@medtronic.com) or fax to 02 9857 9237. All sections must be completed for the order to be processed. Your order will be delivered prior to your insulin pump and/or CGM start once your order is complete and processed.

**Patient Name** \_\_\_\_\_

### Section 1. Pump serial number

**NG** \_\_\_\_\_

Your pump serial number can be found on the back of the pump under the belt clip and starts with the letters NG. Please fill in the details after NG above.

### Section 2. Continuous Glucose Monitoring (CGM)

- I do not use CGM
- I currently use Medtronic Guardian Sensor 3
- I currently use a different CGM

### Section 3. Smartphone details

- I do not have a smartphone
- I do have a smartphone:
  - Apple iPhone
  - Android

Make / name: \_\_\_\_\_  
*Example: Apple iPhone 12 / Samsung Galaxy s20*

Model number: \_\_\_\_\_  
*Example: mge63x/a or sm-g981b*

iOS or Android software version: \_\_\_\_\_

**Note:** You will normally find the information required in the following locations:

**iOS:** Settings > General > About > Model Number  
Settings > General > About > Software Version

**Android:** Settings > About Phone > Model number (this is the SM-xxx number)  
Settings > About Phone > Software Information > Android Version

### Section 4. Training

- I have completed the online training modules and enclose my certificates

### Section 5. Upgrade

- I feel confident I can perform this at home with the support offered on the website
- I would prefer to make an appointment to perform the upgrade in a group setting with a Medtronic Representative. (These will be subject to staff availability with dates TBC)
